NEWS & NOTES

SIGNIFICANT STUFF FOR STUDENTS
APRIL 27-MAY 3, 2008

Birthdays This Week:

04/28 - Wendy Washburn celebrates another birthday tomorrow. She is an important piece of the puzzle around Fellowship Chapel, but more importantly to her family. Wendy has been a SR HI adult youth leader for the last 10 years (could it really have been that long?) while being an active member of a small group, helping out with showers and funeral luncheons, and being an encouragement to those around her. And all this while she helps raise 3 wonderful kids and maintains that true "help-mate" status with Bob her husband. We thank you Wendy for your faithful work and celebrate with you this week! Happy birthday Wendy!

Ichthus Weather: So did you check the Wilmore weather out for these past few days. How does this sound?
Thu: High:80, Low 59 - Sunny
Fri: High:81, Low: 57 - Sunny
Sat: High 72, Low: 47-50% chance rain
Sun: High 71, Low 42-40% chance rain
Sounds like a decent weekend to me without snow or storms. I vote we move it back to April!!

The Reviews Are In ... Schoolhouse "Rocked!":

Mike Dettloff singing "Rufus Xavier Sasparilla" from School House Rock ... who would have thunk it? Mike did an awesome job playing the part of Joe in the musical this past weekend at the Warren Woods Middle School theater. He also did a great job on several other numbers as well. It was so much fun to sing along with all the songs I knew as a kid. I have got to get my hands on the DVD of all those classic cartoons. Once again, great work Mike!

Great Verse To Memorize:

Philippians 1:3-6 (NIV) "I thank my God every time I remember you. In all my prayers for all of you, I always pray with joy because of your partnership in the gospel from the first day until now, being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus."

REAL LIFE'S NOT SO EASY BUTTONS

SR HI-Wed, Apr 30, 7pm-Youth Room

Real Life has been tackling some big time issues ... you might say "Hot Button" issues in our world today ... or the "NOT So Easy" stuff of life.

These past two weeks we've looked at abortion and what we should do about it and what God thinks of it all. But we'll be moving into a few more tough areas that will challenge the way you think, act and live. Bring a friend ... it may just help them get to the next step in getting closer to their creator. Be there at 7pm and don't be late!

ICHTHUS 2008 LOCKED &

READY TO ROCK

SR HI-Wed, Jun 12-15-Wilmore, KY

Now that we've purchase tickets and there are 32 of us heading down to Wilmore for the 17th straight year here at Fellowship, most of you have to work on the other parts of getting there. That is, making sure your exams are covered and you've talked to your teachers. Then, start saving towards your next \$50 due the Sunday before we leave. We are planning on leaving early Thursday like normal. Head over to www.ichthusfestival.org to see all the details! Here's the lineup highlights though ... Toby Mac, Casting Crowns, David Crowder Band, Jeremy Camp, Skillet, Kutless, Family Force 5, Leeland, Hawk Nelson, Stellar Kart, Skillet, Building 429, Red and many more.

Information flyers are available in the lobby or online at our web site (www.fellowshipchapel.net). If you still want to go, there may be chance to get you a ticket (if they haven't sold out, but it will cost you a total of \$135 to go. See Mike if you have any questions on this issue.

Ok, name each person in this picture that was with our group in Ichthus 2005 ... The two on the left are two girls from Bethany Baptist that came with us that year. The 2 people are partially pictured but probably have enough to guess on. And the main focus of the picture should be the easy one.

JR HI QUEST

JR HI-Wed, Apr 30, 6:30pm-JR HI Rm

Once again, I really appreciated your willingness to be open and honest about some tough topics to talk about. Boys and girls and how they differ. God made us different and everything works together for His glory, and we need to live according to His plan and purpose for our lives in regards to hanging out with the opposite sex. I hope you learned a lot, I know I sure did! Remember, if you have questions, talk to you parents and the door is certainly open to talk to the

leaders. Right now you are probably still recovering from lack of sleep from our sleepover on Friday night! Hope you all had fun, and don't let me catch you napping during the service! See you all this Wednesday at 6:30!

COLLEGE AGE STUFF

COLL-Sun-Apr. 27, 9:30am-New Rm

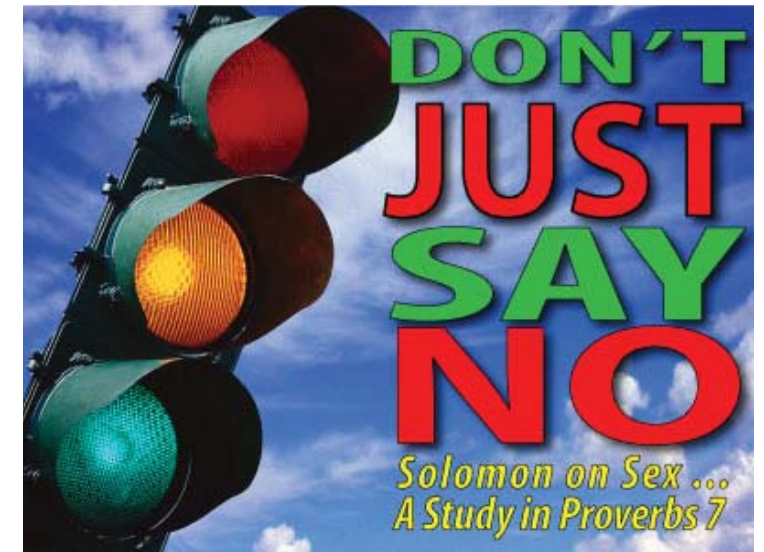

The "Life Long Journey" continues this week and it's not too late to get involved. This new study, led by Gary asks three crucial questions: Who is God? Who am I? What does God desire to do through

me? This class is open to everyone, not just college age students, so be prepared to host some guests in the new room for the length of this study. Feel free to offer the cushy stools to the new comers. :-)

THINK ABOUT IT

23 Ways to Jump Start Your Spiritual Battery - #21 - Write your own Bible paraphrase. Choose a favorite book or long passage from the Scriptures. Think deeply about it every day for a week. Pray through it, attack it with questions,

cross-reference it, talk about it with others, and read it in various translations. How would you take these same thoughts and express them to your friends and current generation? Then write your own personal paraphrase. - Randy Raysbrook

Proverbs 7:1-2 (NIV) "My son, keep my words and store up my commands within you. Keep my commands and you will live; guard my teachings as the apple of your eye."
