NEWS & NOTES

**SIGNIFICANT STUFF FOR STUDENTS
SEPT. 7-13, 2008**

Birthdays This Week:

09/07 - Nate Breton turns 17 today. Cool! It's always fun when birthdays are on Sunday because 300 people find out about it and have the opportunity to wish you well on your big day. Nate is a junior at Chippewa Valley and a football player. He also a great guy to be around who loves to have fun. So we all hope that your birthday is filled with just that ... fun. Happy birthday Nate!

09/12 - Stephanie Schoel turns 21 years of age this Thursday. Stephanie is one of our JR HI leaders and has filled in on occasion in SR HI. She teaches dance at a local dance studio which of course means that the girl has got some grace in her! She has a smile that lights up a room and an encouraging spirit towards all those around her. So today Stephanie, we want to encourage you by wishing you the best of birthdays this week!

Great Verses To Memorize:

New year ... new book to focus in on. Since the quizzers are memorizing the book of Luke this year, that's where we'll be spending our time as well ... focusing in on some of the key verses in that gospel. Here's the first one ... the purpose of the entire book: Luke 1:1-4 (NIV) "Many have undertaken to draw up an account of the things that have been fulfilled among us, just as they were handed down to us by those who from the first were eyewitnesses and servants of the word. Therefore, since I myself have carefully investigated everything from the beginning, it seemed good also to me to write an orderly account for you, most excellent Theophilus, so that you may know the certainty of the things you have been taught."

REAL LIFE OFF TO A YUMMY START

SR HI-Wed. Sept. 10, 7pm - Youth Room
We always kick off the new Real Life year with a bang and this Wednesday at 7pm will be no exception. We're doing something we only do every 4 years. Don't miss it! Really ... we're doing something really cool. Make the commitment to being there each and every Wednesday night. If you work, get that night off! Plan on bringing friends!

EVERYBODY MOVES UP

ALL-Sun. Aug. 31 and beyond
So it's after Labor Day weekend which means that all the former 5th graders move into the JR HI Sunday School class. The old 8th graders move into the high school class with Mike which will have room in it because the graduated seniors move into their new room/class with Gary in the converted garage.

SEE YOU AT THE POLE

SR HI-Wed. Sept. 24, 7am-flagpole
See You at the Pole is a student-initiated, student organized, and student-led event. It's all about students meeting at their school flagpole to pray together—for their school, friends, teachers, government, and their nation. See You at the Pole is NOT a demonstration, political rally, nor a stand for or against anything. It is scheduled annually on the fourth Wednesday in September, which is September 24 this year. The suggested starting time is 7am. If you are a student and are reading this, I am asking you make a deliberate choice to be there and pray with other Christians on your campus. In fact I challenge you!!!

BIBLE QUIZZING TEAMS FORMING

ALL-Sept-March-weekly practices, monthly competitions
Coming off a second straight year where our varsity team made it into the local finals, we are excited to start another quiz season. And there is room for you, oh JR HI (6th-8th grade) or SR HI student (9th-12th grade), on a bible quizzing team for the upcoming 2008-09 season (the book of Luke). Have you ever felt like you didn't know what to do for your daily devotional time with the Lord? Why not slowly memorize an entire book of the Bible? That's right, over the course of 6 months, actually put God's word in your brain and you'd be amazed at what He will do to your heart! Parents or students ... this is a great way to challenge you in your spiritual

growth and do something that counts for eternity! If you have any questions, please see Mike Miller. In addition, more coaches are needed for this year.

JR HI QUEST STARTS WEDNESDAY

JR HI-Wed. Sept. 10, 6:30pm-JR HI Room
For all you new 6th to 8th graders, your year starts here at the JR HI Quest. This is your place to connect with each other in building friendships and with God by getting to know Him and what He wants us to be all about in this life. It's fun ... it's even a little crazy from time to time ... but it's right where you need to be. 6:30pm every week. And it all starts this week! Plan on it!

KHAVA COFFEE HOUSE THIS FRIDAY!

COLL-Sun, Sept 12-7pm-College Rm
Khava ... the coffee house we're starting in the new room is happening this Friday. We need a few things. First of all, we need you to invite a friend or two to just come and hangout. There will be live music and a comfortable atmosphere to relax and enjoy time spent with friends. So that's our biggest need. However, right behind it, we need people to volunteer to work over the coming weeks and months. We figure that it will take 5 people per night to pull this off. If you are interested in filling one of these roles, please see either Ryan Jordan or Cherie Shelton.

Brittany, Christian, and Aaron making a pie as one body ... Christian was the mouth and brains, while Brittany & Aaron were his blind arms.

COLLEGE AGE NEWS

COLL-Sun, Sept 7-9:30am-CollegeRm
Hmmm ... some new room upgrades have arrived! Two couches and some end tables were added, along with a credenza, some platforms, wireless internet access, and more to come! This room is not only getting ready for Khava (see above) but is also nicely equipped for Gary's Sunday School class which is studying the book of Micah. So plan on being there oh college age student!

THINK ABOUT IT

From the file of Great Baseball Quotes ... "One of the beautiful things about baseball is that every once in a while you come into a situation where you want to, and where you have to, reach down and prove something." - Nolan Ryan, Hall of Fame pitcher known for being the all time strikeout leader. Sounds like us when we long to do something great for God.
